## City of Oroville Dog License

### License Information

This information sheet is to remind owners in the City of Oroville, that dog licenses are required by law:

- Within 30 days of moving to the area
- Within 30 days of acquiring a new dog
- After a puppy becomes 4 months of age

A dog license provides the best identification your dog can wear. If your dog is lost, a license may hasten the return of your dog from animal control, or it may give a neighbor a chance to locate you without calling animal control. Licensing also decreases the need for anti-rabies treatment following a dog bite.

### LICENSE FEES

ALTERED	UNALTERED
\$10.00	\$20.00

You must have and include a copy of a current rabies vaccination certificate for license issuance. If the animal is altered, you must also include a copy of the alter certificate from the veterinarian.

**Without verification, your dog's license will not be processed.**
